

POLWHELE POST

8th October 2021

Dear Parents

Many of you will have heard that, in our first matches against Truro Prep, we won at netball and rugby across the board. Well done to our children who have trained hard and put in a concerted team effort to achieve these results. When I went out to watch the matches here, I asked the score – and then realised that the fact of the matches taking place was even more important than trying to win. The fact that your children pulled off such a great achievement is a testament to their dedication and that of their games teachers.

It has been lovely to see our Toddler Group up and running again. Please do pass the word to anybody who might like to join us on Wednesday afternoons from 14:00-15:30 where the children have a chance to take part in activities and (so long as the weather permits) play in our beautiful grounds.

By the end of last Friday we had so much to donate to the Food Bank from your Harvest donations that we had to ask for more crates to pack it up in. Thank you for your thoughtful generosity. Those of you who know Pumpkin will not be surprised to learn that he guarded the animal foods very carefully – at one point we thought he was going to jump into the van with it!

Mrs Hilary Mann
Head
