

# POLWHELE POST

17<sup>TH</sup> September 2021

---

Dear Parents

It has been very exciting to see the trips arrangements falling into place for the children. Two years with little chance to get out and about has given us all a thirst for using the amazing local facilities to enhance the children's learning. There are some wonderful opportunities to learn and explore and they start next week. I'm looking forward to seeing the photos, which will be gathered together into our half termly Polwheler publication, although I'm sure that some will find their way into the Polwhele Post.

We are looking to engage the older pupils in thinking about possible careers. My favourite way to start the process is to invite those of you with experience of a career or profession to come and talk with them, explain what you do, how you have qualified and answer questions. If you would be willing to come in for an hour, please let Liz Jones know and we will find a time which works for you. We are keen to cover everything from architect to zookeeper – please don't think that our pupils will not be interested in what you do, we will be delighted to hear from you.

I was surprised to discover that the children voted Rupert in as Head of School this morning during Prep assembly. I need to assure you all that he will be no more than a puppet leader as I fear that the school day would be based around sandwiches and that Pumpkin would be pulling the strings!
