

POLWHELE POST

20th JANUARY 2023

Dear Parents

What a joyful surprise to have snow this week! The children loved the chance to play outside, building snowmen and using the snow for their learning. Such a rarity in Cornwall – we had to enjoy it whilst it lasted!

This week I was asked whether there could be a school feedback form for parents. As you know, my door is (almost) always open and I'm very happy to meet and discuss any concerns. However, sometimes there is an observation which does not seem big enough for a meeting and at these times it's good to 'get it off your chest' before it grows. We have therefore invented a feedback form which will come direct to my email inbox. You can identify yourself or be completely anonymous. Obviously anonymous messages cannot be responded to but I will take every comment into account; I can't make everything perfect for everybody but it is hugely helpful to know what you are thinking. You can access it via this link: [Parent Feedback Form - Polwhele House School Learning](#)

The Pre-prep had a wonderful opportunity of dance workshops this week and enjoyed every moment (the staff loved it, too!) If you would like your Pre-prep child to have dance lessons on Thursdays, please contact Miss Katie direct using the details in the Notices section of this edition of the Post.

Next week the girls are off to the Regional U11 Netball Tournament – as Regional Champions! We wish them another thoroughly enjoyable day and hope they do their best. There is absolutely no pressure on them to equal last year's achievement – we want them to have a wonderful time! The day before the Netball Regionals, our cross-country runners will be out in force in their own regional event, which was postponed last week because of the weather. We wish them all the very best as they run through the mud.

I hope you a wonderful weekend

Best wishes

Mrs Hilary Mann
